

## CERTIFICATE

Deutsche Welle confirms that

**Giovanni Lapelazzuli**

has participated in the interactive online language course "Deutsch Interaktiv". The overall result is:

87 percent

The overall result reflects performance in the following skills:

100 percent in listening comprehension

100 percent in reading comprehension

93 percent in vocabulary

67 percent in production

77 percent in grammar

This language course is based on level B1 of the internationally renowned "Common European Framework (CEF)". It teaches a repertoire of language skills which enables you to talk about most topics of daily life. After having successfully completed the course you will be able to communicate independently, without the help of others. You will also know the basic grammatical structures of the German language.

Congratulations on your results! We hope that you will continue to use [DW-WORLD.DE/deutschkurse](http://DW-WORLD.DE/deutschkurse).
